

NORDIA 2024

Hallvard Slettebø writes

The previous issue of FEPA News informed about the plans for NORDIA 2024 in Langesund, Norway from May 31 to June 2. The plans are progressing well. We are happy to have received FEPA Recognition including the support this means for the exhibition.

Visit Telemark?

Langesund is located on the coast of Telemark. Approximately two hours by car from either Oslo or Kristiansand. If you arrive in Norway by plane to Oslo Airport Gardermoen, then you may catch a train to Porsgrunn, and bus onwards to Langesund. The nearest airport is Torp which also has bus and train connection to Langesund.

Langesund is located on the Sunny Coast of Telemark

Telemark offers many attractions, from UNESCO World Heritage sites, to trips on the Telemark Canal with its impressive lock system, to hiking in the beautiful mountains, to just relaxing in the cozy coastal towns. The exhibition hotel's water park is a great place to have some fun with indoor pools, slides, a hot tub and an outdoor pool – for sure relevant for those traveling with children!

Visit NORDIA 2024?

NORDIA 2024 will be one of the largest stamp exhibitions in Norden since STOCKHOLMIA 2019. There will be many fine exhibits to study and get inspired by. Dealers from several countries give you the opportunity to find gems for your own collection.

We are planning meetings and small seminars with a variety of topics. Also guided tours among the exhibits.

Practical with exhibition and hotel next-door

NORDIA 2024 takes place in the Skjærgårdshallen exhibition hall which literally is next-door to the Quality Hotel Skjærgården.

Left: Exhibition hall (blue building) and hotel (Photo: fjuz.no). Right: Mayor Hallgeir Kjeldal opens SkiPoSta 23 which was a small test exhibition for NORDIA 2024. The facilities proved very suitable for a larger exhibition.

Not only for Nordic exhibitors!

The Nordic countries (also known as the Nordics or Norden; lit. 'the North') are a geographical and cultural region in Northern Europe and the North Atlantic. It includes the five countries Denmark, Finland, Iceland, Norway and Sweden; also the Faroe Islands, Greenland and Åland. The NORDIA exhibitions take the name from Norden. We are also inviting exhibitors from the Scandinavia philatelic societies in Germany, the Netherlands, United Kingdom and the United States to participate.
